# The Blue Pages

This is a paid advertising directory of reliability/qualification testing products and services, organized by category. Many categories have subcategories, which are numbered. Boldface numbers following a company's listing indicate the company makes the products or offers the services that correspond to the numbered subcategories.

**NOTE:** If you would like your company to be listed in this paid directory, please call for our rates and a listing form. We'll also be happy to discuss potential new categories with you. **Contact:** TEST Engineering & Management, 3756 Grand Ave., Suite 205, Oakland, CA 94610. Phone (510) 839-0909. FAX (510) 839-2950. E-mail [testmag@testmagazine.biz](mailto:testmag@testmagazine.biz).
